

## CITY OF BATTLE CREEK

POLICE DEPARTMENT • OFFICE OF THE CHIEF

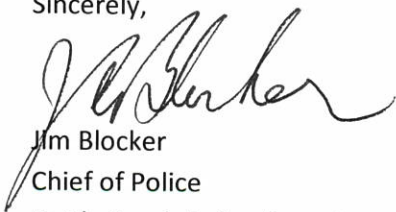

Dear Friends,

The Battle Creek Police Department is partnering with Child Safety of America to provide educationally sound materials that will help aid in teaching our children how to stay safe and drug free and that officers can distribute around the community. The Battle Creek Police Department has partnered with Child safety of America to assist us in this effort in cultivating community interest and support, developing funds, and managing the material to ensure the inventory of materials are timely and relevant.

Child Safety of America will send out mailings, and at times send representatives, requesting funds to advertise in these crime prevention based educational materials. This is a new (2015-2016) collaboration for this department. We are determining, in this year, if this is a viable option to assist Battle Creek Police Department in delivering this service and in a way that does not impact our values or most importantly –your trust.

To this end, the only solicitation currently supported by Battle Creek Police Department is through Child Safety of America. If there are any concerns or complaints about the message, conduct, or behavior of any Child Safety representative, notify the Office of the Chief of Police by sending an email to [cvandongen@battlecreekmi.gov](mailto:cvandongen@battlecreekmi.gov) or by calling 966-3375.

Sincerely,

Jim Blocker

Chief of Police

Battle Creek Police Department
